- **Player Evaluation/Draft:** on January 24, the Majors will hold player evaluations for each player. The process lasts approximately one hour, including wait time. After the evaluations, coaches will draft teams the following weekend and you will receive a call from your coach.

- **Season:** each team will practice twice per week (including at least once on the weekend) from early February to early March, then will practice on Saturdays for two hours once the regular season begins. During the regular season, each team will play once during the week (usually on either Wednesday or Friday night) and once on Sunday afternoon. At the end of the season, all teams play in an exciting single elimination playoff to crown the tournament champion! Come join us this year for some great softball. You will enjoy the girls, the families and the camaraderie of the NYO Major League. We look forward to seeing you this year!
